

FOR SALE

1979 Endeavour 37, Plan-A
Hull No: ENC372821179
US Coast Guard Documented 628005

OVERVIEW

The Endeavour 37 is an extraordinary well-built island hopper and live aboard. USCG Documented. Located at the Pensacola Naval Air Station, Boca Grande Marina. Its current owners have used *Miss Sherry* since August 2019 as an occasional live aboard during visits since their children and grandchildren resided in Pensacola. Endeavour's PLAN-A open-cabin design is spacious and perfect for entertaining. Previous Pensacola owners have taken the boat island hopping down Florida's West Coast to the Bahamas and back. Endeavors have crossed the Atlantic. They are ruggedly built to last.
