

The Foghorn

Sunsets and sailing days ahead.....

Dear Members and friends,

HAPPY NEW YEAR!!!!

It is so hard to believe that it is 2023.

Last year was a wonderful and successful year for NAVY YACHT CLUB. A very profitable Navy Cup and Navy bringing home the Cup for the second year. It was also the second year for Navy to bring home the Fish Classic Trophy.

The Commodores' Ball, at PYC, was held on December 16th with delicious food and beautiful decorations. Once again, we had our favorite band Platinum Premier and of course lots of awards.

I would like to announce that Kim Kaminski was the winner of the Commodore's Cup Spinnaker Class and her Trophy will be awarded at the January General Meeting. Congratulations Kim!

This will be another wonderful year at Navy. If we continue to add Members at the current rate we can reach a membership not seen in a decade.

I will pray for your continued health and enthusiasm.

I remain proudly your Commodore,

Sandy

Happy New Year!

The Commodore's Ball was a big hit. If you weren't able to join us, we missed you. Please mark your calendar for this year's Commodore's Ball on December 15th. This month, the Satori Foundation is offering a Navigation Course for sailors. Five members from NYCP will be participating.

A few of us will be attending the Winter meeting of the Gulf Yachting Association in New Orleans later this month.

If you haven't previously, I hope you will set a New Year's Resolution to support the Club either by sailing in the races, or participating in the many opportunities we have. If the same people do everything all the time, people get burnt out. It'd be awesome to have new ideas and new helpers.

Greetings to all,

The tentative Bay race schedule has been compiled and will be submitted to GYA this month. See the following link on our website for race schedule information: <https://navypnsyc.org/racing.html>

I hope everybody that was on the water last year had fun and we hope you all will make a commitment to join us on the water this year.

The Clubs are looking at offering courses on racing. If you haven't been out before, this will be a great opportunity to bring you up to speed. There are plenty of people willing to help any newcomers to join us, you just need to ask.
