

The Foghorn

Sunsets and sailing days ahead.....

Dear Members and friends,

This year is flying by and it is time for THE NAVY CUP.

THE NAVY CUP has been a long tradition and popular Sailing Event in Pensacola. The CUP was a gift from the Secretary of the Navy making that Navy connection strong.

Our committee has met several times and the sales are strong with many new businesses coming to us for the first time. Of course, our always supportive friends are joining us too.

Members of our committee are Jim Parsons, Kathryn Harrington, Molly Warner, Ken Pyle, Ricki McWilliams, Patti Osborne and Libby Day. These folks deserve a thank you when you see them.

I also want to thank Brothers Bar B Que for trading wonderful food for our Regatta Party on both Saturday and Sunday, for your enjoyment, for an ad in our program.

I am so happy to have our past Commodore assisting during these really busy times. Sailing assistance while I do Admin and food makes us a very supportive team. Add the best Bridge ever and everything seems to fall in place.

Our General Meeting will be Thursday May 5, 2022 at Island Cove Marina. The theme is International Selections. Bring food to match your nationality.

NYCP is making its mark in local sailing. The teamwork and individual incentives make this a special group. I remain proud to be your Commodore. Our theme in April will be "Spring has Sprung". Watch for my message! Your help with Picnic Food will be appreciated. The Club will provide fried chicken.

Vice Commodore's Report

April showers (although few) bring beautiful flowers. I love to drive around our community at this time of the year with all the great flower smells. Like the sea air, it can be mesmerizing.

May brings us a new sailing class for those who want to learn how to race. Much like the previous class, the Satori Foundation is offering a racing class for eight participants. There will be four class sessions and six racing sessions on Thursday evenings at PYC. Participants will also gain experience on a Committee boat during one of the races. If you are looking for additional crew members, there should be a few available. Navy acquired two of the eight spots.

Last month, after meeting Kevin Marshall at Grand Lagoon, he donated sails and other Flying Scott parts to help us to potentially have two Flying Scotts to use. Consider putting a Flying Scott team together. They are a fun boat to sail and great comradery is enjoyed. Talk to Ken Pyle or Dick Piatt.

From the Rear Commodore

Hello All,
Are you are interested in being trained to help with our regattas and any of our other yachting activities in 2022? Please, let us know, we would love to have you help out. There is always something fun to do!

Steve Boomer
2022 Rear Commodore

Fleet Captain

Well here we are in May. June is going to be our wonderful Navy Cup. We are still looking for teams and people to participate in the regatta. I will have the calendar at the general membership meeting on Thursday. Tom Whitehurst bought an Admiral 40 Catamaran which we delivered from Fort Lauderdale to Pensacola at the end of April. It was a wonderful trip congratulations to Tom on his new boat. This Saturday is the Pensacola Beach Yacht Club's Seabuoy race for those who would like to participate. Entry is on regatta Network.

Fairwinds, see you on the water.

Treasurer

Hello Navy Yacht Club,
Please be patient while we are commissioning a new treasurer.

Check out the photos from the Navy Yacht Club activities throughout the year. If you have a picture to submit ...be sure to let us know.

Whether you download photos or any other files, you need to be sure you save them to your computer so you can print them, or just view them when you have the time. But remember, computers do crash, and it may happen to you. When they do crash there goes all those important photos or documents. To ensure you do not lose any valuable files, make sure you back them up regularly to the cloud, or to an external hard drive. A one or a two Terra Byte hard drive can be purchased for fewer than one hundred dollars and set up to automatically back up your files on a regular basis. It is money well spent, especially if it saves those pictures and documents that are so important to you.
