Commodores Comment

Happy Mardi Gras to everyone!

By the time most of you see this edition of the Foghorn, Fat Tuesday will be over. We started our season off March 1st with the Commodore Cup #1 in the series of four. The other dates for the series are April 26, Sept 13 and 27. We had beautiful weather on the bay, which has been a nice change from the weather we have been having.

We are still in need of people to volunteer to help out with after race parties. Please reach out to Libby if you are interested in coordinating any of these social events. We are also in need of support for our ONLY fundraiser, our Navy Cup Brochure. We are in need of ads, please reach out to Libby or Ricki Miller

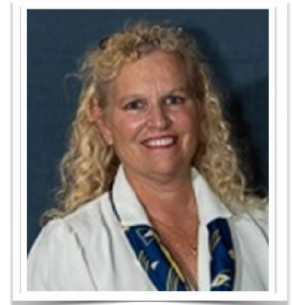

McWilliams to post an ad from your family, your business or any businesses that you frequent.

I had lunch recently with Capt. Newman, NASP Base Commander. We had a nice chat about the Club and our future on the base. She is all in favor and in support of our return to the Base and is willing to do what is necessary to help make it happen.

With longer days that come with Daylight Saving Time and the warmer weather March brings, I hope everyone will get a chance to enjoy the beautiful area we call home.

Soirbheas,
Mia Ottesen

PS. Our next social will be on Tuesday, March 18, Erin Go Brau! We have several fun things planned. I look forward to seeing you.

Oh Captain my Captain?

Since the time humans learned of the water they wondered what was on the other side. There have been many captains of countless named and unnamed vessels over history. Here is your chance to give yourself a little test. See if you can match the Captain listed with their vessel or work:

1 Capt. Crunch	A. The Enterprise
2 Capt. N Tennile	B. The Minnow
3 Capt. Kirk	C. The Guppy
4 Capt. Ahab	D. The Edmund Fitzgerald
5 The Skipper	E. Muskrat Love
6 Capt. McSorley	F The Pequod

Vice Commodore Report

Frank Bean

The first regatta of the sailing racing season took place March 1, 2025. The Maxine Regatta begins the Commodores cup series for 2025.

It is both a celebration and recognition of the contributions of Maxine Sansom. Maxine ran the administration and support of racing for all the clubs on Pensacola Bay for over a decade.

Doug Sansom, her son, a successful sailor in his own rite, presented the winners trophies for the three race classes.

The Pensacola Beach Yacht Club graciously hosted the awards facility following the March 1st race.

Fleet Captain Report

We got the first race of the year off Maxine number one.

The winners were Tony Nichols in the racing fleet and Bob Kriegel in the cruising fleet. We had three Catalina 22s participate. Glad to see they are out in Sailing again.

One of our junior sailors, Emit Perez was a skipper of one of the Catalina 22.

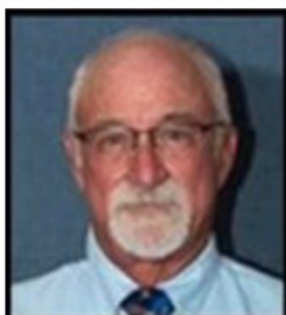

Next Maxine will be on the eighth sponsored by the Pensacola Beach Yacht club.

Registration will be out on Regattaman. The G 52's will be out on Pensacola

Bay, March 20 through the 23rd.

Hope everybody gets to get out and see them play on our bay.

Bikini Regatta will be the first weekend in April. Let's start planning accordingly.

2025 Navy Cup Brochure.

This is our one and only fund raiser of the year. Proceeds help pay for the WAVE event, after race parties and the junior sailing scholarships.

Please note that it's time to start thinking about your ad for the 2025 Navy Cup Brochure. In the past, we have concentrated on reaching out to the community businesses for ads. This year, we will continue our business ads, but we would like to reach out to our members and ask that you place a small ad in the 2025 brochure. Put an ad with a picture of your new grand baby or maybe a pic of the whole family. Several people use the ad to have a picture of themselves on their boat.

As for myself, I'm going to place 2 half page color ads. One reserved for my bfs and the second as a surprise. Only \$100.00 for half page color ad.

Please see or call Libby Day, Molly Werner, or Ricki McWilliams for information on how to place an ad in the 2025 Navy Cup Brochure. Deadline to complete is April 19.
